> There is an unscrupulous/unethical devloper in San Francisco, LENNAR,
> that is currently "developing" a portion of San Francisco called,
> "Hunters Point." Hunters Point use to be a shipyard and U.S. Navy

> repair facility for Navy Ships and various other equipment. Hunters
> Point has been sitting vacant for many years and for good reason--it
> is heavily contaminated with toxic substances and chemicals, including
> radioactive substances.
>
> Recently, developer Lennar has been developing the Hunters Point site
> for residential and commercial development.
> As previously stated, the problem with this site is that it is highly
> contaminated with numerous toxic substances and chemicals for at least
> 50 years. There is no safe way to remove these toxic substances from
> the Hunters Point site and these toxic substances shall remain at
> Hunters Point, in the land, water and air, forever! It has been duly
> documented about the toxic chemicals and substances that remain on the
> Hunters Point site. The department of the Navy has vast information
> about the CONTAMINATED AND UNUSEABLE LAND THAT OCCUPY'S THE HUNTER'S
> POINT SITE!
>
> Lennar plans to build many residential apartment structures on the
> land at Hunters Point. These cluster apartment structures on the
> Hunters Point site are unsuitable and unliveable for people and their
> kids. This land at Hunters Point is an UNSAFE Environment for any
> human to live on. The people and their small kids that occupy the
> cluster apartments at Hunters Point will surely get physically sick
> and their lifespan(s) will be drastically shortened because of the

> Law at the Hunters Point Site. Lennar also has been sued as well for
> these Environmental Violations. Lennar has not BEEN PUNISHED YET FOR
> THEIR VIOLATIONS OF ENVIRONMENTAL LAW.

> Unscrupulous/Criminal developer Lennar is also about to undertake the

> located between Hunters Point and the adjacent land/overflow parking
> area at Candlestick Park (on the north side of Candlestick Park).
> There is a sign located at the north shore of Yosemite Slough that was
